What's in the Box

1. Moxie V1000 Truly Wireless Earbuds: 1 Unit 3. Ear Cushions: 3 Sizes 5. Warranty Card: 1 Unit 2. Charging Cable: 1 Unit 4. User Manual: 1 Unit

Performance Index

Product Name	Moxie V1000 Truly Wireless Earbuds
Audio Interface	Bluetooth
Charging Interface	Type-C USB
Rated Voltage	5V
Bluetooth Version	v5.0
Bluetooth Range ¹	10 meters
Battery Type and Capacity for Earbud Case	Lithium Ion, 200mAh
Battery Type and Capacity for Each Earbud	30mAh
Charging Time	1 hour
Playback Time ²	Up to 12 hours
Standby Time	Up to 80 hours
IP Rating ³	IPX4
Driver Size*	10mm*2
Frequency Range	20Hz=20KHz
Signal To Noise Ratio ⁵	95db±3
Impedance ⁶	32 Ohms
Product Dimension	6*4.5*2.2cm
Product Weight	35g

2. Playtime duration can vary depending on actual usage and the volume of the device. Playtime duration is tested at 33% volume of the Bluetooth Audio

device.

3. The IP rating determines how resistant something is to environmental elements. Most IP numbers read IPPO: each "X" being a placeholder for a number. The

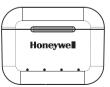

first number represents the level of resistance to dust/particles and the second representing its ability to withstand liquid.

5. Signal to Noise Ratio is defined as the ratio of signal power to the noise power, it is represented in decibels.

6 Impedance refers to the load a speaker places on an amplifier. Technically, impedance is the "resistance" a speaker offers to the current supplied by an amplifier because the output current of an amplifier is AC (not DC, like from a battery), this resistance is called impedance.

How to Operate

Before Powering ON for the first time, please charge fully for good battery life.

Charging

- 1. Plug the Type-C end of the charging cable into the Type-C connector port on the earbud case.
- 2. Plug the other end into a USB wall charger/computer/power bank that is powered on.

Powering on

When the earbuds are removed from the charging case, they will automatically power on. Touch either of the earbuds for 3-5 seconds to manually power on/off each earbud.

Pairing via Bluetooth

Connecting any Bluetooth device

- Once the earbuds are removed from the case, the earbuds are in Bluetooth pairing mode automatically.
- Open the Bluetooth settings on any Bluetooth device and search for device with name "Moxie V1000-TWS" and connect.

Note:

- "Moxie V1000 Truly Wireless Earbuds" will automatically re-pair with the last paired device whenever it is within range.
- Devices with older Bluetooth versions may prompt you to input a passcode key. Please enter "0000" on your device and press OK to successfully connect with "Moxie V1000 Truly Wireless Farburds".

Voice Assistant

This product is compatible with Siri/Google Assistant.

Smart Talk

Answer/Reject calls by single tapping the Left/Right Earbud.

Mono Mode Operation

When only one earbud is required, the user can use either of the earbuds.

The user needs to manually power off one earbud and use the other as a solo earbud.

Precautions for Use

- Do NOT use at high volume for any extended period to avoid hearing damage.
- . Do NOT use while driving for phone calls or any other purpose.
- DoNOT use if there is any loud unusual noise. If this happens, please contact us at support@honeywellconnection.com.
- This product contains small parts which may be a choking hazard. Not suitable for children under the age of 3.
- This product contains magnetic material. Consult your physician before using the product in case you have a medical implant of any type.
- Do NOT attempt to disassemble this product as this may lead to a hazard and will void the warranty.
- warranty.

 Use this product only with the power supply provided along with this product (applicable for selected models only).
- Do NOT use this product near any form of excessive heat such as gas appliances and heating appliances.
