5. Warranty Card: 1 Unit

## Performance Index

Product Name	Suono P1000 Soundbar
Audio Interface	Bluetooth 3.5mm AUX USB HDMI/ARC Digital Optical
Charging Interface	DC input
Output Power	15W*2
Rated Voltage	18V/2A
Bluetooth Version	v5.0
Bluetooth Range <sup>1</sup>	10 meters
Battery Type and Capacity	N/A (wired power cable)
Driver Size <sup>2</sup>	52mm*2
Frequency Range	20Hz~20KHz
Signal To Noise Ratio <sup>3</sup>	≥85db
Impedance <sup>4</sup>	6 Ohms
Product Dimension	80*6*6cm
Product Weight	1.25Kg

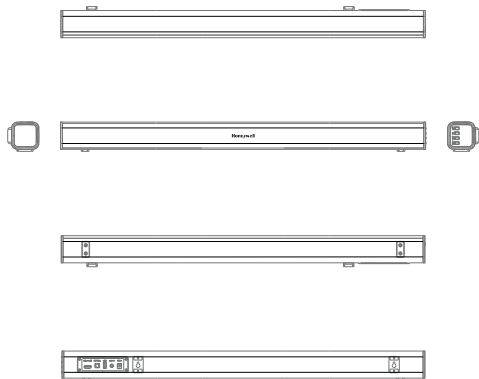

1. The Bluetooth Range can vary depending on the ambient environment. The range is tested in an outdoor environment with no physical obstacles.

2. Driver size denotes the diameter of the diaphragm.

3. Signal to Noise Ratio is defined as the ratio of signal power to the noise power. It is represented in decibels.

4. Impedance refers to the load a speaker places on an amplifier. Technically, impedance is the "resistance" a speaker offers to the current supplied by an amplifier because the output current of an amplifier is AC (not DC, like from a battery), this resistance is called impedance.

## Product Appearance And Structure

## Function Description

Function	What to do
	Short press to Play/Pause audio*
	Short press to switch between Bluetooth, AUX, USB, Optical & HDMI/ARC mode Long press to power on/off the device

## Charging

Plug the 15V power adapter into a wall socket and connect the other end of the adapter to the DC input of Suono P1000 Soundbar.

## Powering On

Long press button on the control panel or remote control to power on/off.

## Pairing via Bluetooth

Connecting any Bluetooth device

- Press the button on the control panel of the soundbar or the source button on the remote control until Bluetooth mode is enabled. Soundbar is now in Bluetooth pairing mode.
- Open the Bluetooth settings on any Bluetooth device and search for device with name "Suono P1000" and connect.

## Pairing via Bluetooth (Continued)

### Note:

1. "Suono P1000 Soundbar" will automatically re-pair with the last paired device whenever it is within range.
2. Devices with older Bluetooth versions may prompt you to input a passcode key. Please enter "0000" on your device and press OK to successfully connect with "Suono P1000 Soundbar".

## 3.5mm Aux Cable Operation

1. Insert the 3.5mm AUX cable into the AUX input.
2. Press the **Ⓞ/M** button on the control panel of the soundbar or the source button on the remote control until AUX mode is enabled.
3. "Suono P1000 Soundbar" is ready to play audio/music through AUX mode.

## USB Function

When a USB Flash drive is inserted, the audio/music stored in the USB Flash drive will automatically start playing.

### Note:

1. Soundbar is compatible with USB Flash drives up to 32GB in size and supports MP3 and WAV audio format only.
2. The soundbar also has a memory function that will recall and continue from the last-played track whenever a USB Flash drive is reinserted into the soundbar.

## HDMI/ARC Operation

1. Connect a compatible device via an HDMI/ARC cable to the HDMI/ARC input on the soundbar.
2. Press the **Ⓞ/M** button on the control panel of the soundbar or the source button on the remote control until HD mode is enabled.
3. The soundbar is now ready to use.

## Digital Optical Operation

1. Connect a compatible device to the digital optical cable input on the soundbar.
2. Press the **Ⓞ/M** button on the control panel of the soundbar or the source button on the remote control until OP mode is enabled.
3. The soundbar is now ready to use.

### Note:

Ensure Optical SPDIF is selected as the TV's audio output.

## Precaution for Use

- Do NOT use at high volume for any extended period to avoid hearing damage.
- Do NOT use while driving for phone calls or any other purpose.
- Do NOT use if there is any loud unusual noise. If this happens, please contact us at [support@honeywellconnection.com](mailto:support@honeywellconnection.com).
- This product contains small parts which may be a choking hazard. Not suitable for children under the age of 3.
- This product contains magnetic material. Consult your physician before using the product in case you have a medical implant of any type.
- Do NOT attempt to disassemble this product as this may lead to a hazard and will void the warranty.
- Use this product only with the power supply provided along with this product (applicable for selected models only).
- Do NOT use this product near any form of excessive heat such as gas appliances and heating appliances.
